

THE JAMAICA CUSTOMS AGENCY

Mobile Application – Declaration Search Tidbit

Information Services Unit

Declaration Search

This feature allows the users to search for a declaration using the year, c.no., office, and the declaration date. Once found users will be able to share the declaration, download PDF version of the Assessment Notice, bookmark up to 10 declarations, add declaration to shopping cart and to view global and item taxes for declaration.

Declaration Reference	Model	No. of Packages	Total
JMKFE2023C26	IML - 4	1 Package	\$0.69
JMKFE2023C27	IML - 4	1 Package	\$0.69

Select the unpaid declaration for payment.

Select any of the icons provided to complete an action. See action table in figure.

Figure 15.3 Selecting Declaration for payment.

The **selected Declaration** can be shared with others via email, WhatsApp messages and other modalities native to the smart device being used. The associated assessment notice can be downloaded while the selected declaration can be tracked and traced, bookmarked, and paid. The table below shows the purpose of each icon above.

Name	Definition	ICON/Image
Share	This allows the user to share declaration reference details via email or WhatsApp.	
Track and Trace	The Track and Trace feature allows the user to track the statuses of a registered declaration, displaying the lane assigned, Customs Processing Unit and Other Government Agency declaration assessments. The user searches using the Customs Office, Registration Year, Commercial Reference, TRN, and Declarant/Importer. Once selected for a given declaration, the details will be displayed.	
Download	This allows the user to download the declaration assessment notice.	
Bookmarked	This allows the user to bookmark a declaration, which is placed by the system at the top of their paid list as a priority.	
Payment	This allows the user to make online payment using the Mobile Application.	
Eye	This allows the user to see additional declaration summary details.	

Share declaration.

- Search for the declaration and click on the Declaration reference.
- Select the share icon.
- The options to share will appear for selection.
