

PUBLIC ADVISORY #12

Implementation of the Approved Suspension of the CET on Frozen Concentrated Orange Juice

The Ministry of Finance and the Public Service has advised the Jamaica Customs Agency in letter dated December 1, 2025, that in keeping with the decision of the 61st Meeting of the Council for Trade and Economic Development (COTED) Jamaica will fully suspend the Common External Tariff (CET) on 14,728 drums (at 55 gallons per drum) of Frozen Concentrated Orange Juice of HS code 2009.11.10.

The period of the suspension is effective on January 1, 2026 to December 31, 2026.

Additional National Code (ANC) GX5 has been created to facilitate clearance.
