

PUBLIC ADVISORY #3

Increase in the Environmental Protection Levy Rate from 0.5% to 0.85%

Please be advised that the Environmental Protection Levy rate was increased from 0.5% to 0.85% of the CIF value following the promulgation of the Environmental Protection Levy Act, 2026, as set out in Jamaica Gazette No. 446 which comes into effect on October 1, 2026.

The necessary system and documentation updates have been completed to facilitate implementation of the revised levy rate.

The updated Integrated Tariff can be accessed on the Jamaica Customs Agency's website via the link below:
